

## Arts, Commerce Science College Yawal

### Student Council (2019-20)

The institution has a student council working for the welfare of the students and co-ordination with the institution and university.

The council is formed by nomination of the students holding first rank in each class. Similarly the representatives of NSS, Sports and Cultural activities are selected on merit in respective fields.

The secretary of the student council of the college represents entire students of the institution at university level.

For academic year 2018-19, though there were no directives from university for establishment of student council, we, at our level established student's council.

The students are thus, provided opportunities for improvement in their leadership qualities. This exercise is the manifestation of the culture of decentralization and participative management adopted by the college.
