Note

1. It is incumbent on the Coordination Committee proposed in these Regulations and the University to prepare and publicize within six months subject-wise lists of journals, periodicals and publishers under categories IIIA and B. Till such time, screening/selection committees will assess and verify the categorization and scores of publications.

2. The API for joint publications will have to be calculated in the following manner: Of the total score for the relevant category of publication by the concerned teacher, the first/Principal author and the corresponding Author supervisor/mentor of the teacher would share equally 60% of the total points and the remaining 40% would be shared equally by all other authors.

3. The parameters listed in table of category-III (Research and Academic contributions) shall have following capping in relation to the total API score claimed by the candidates:-

- III (A) : Research papers (Journals, etc) 30%
- III (B) : Research publications (Books, etc) 25%
- III (C) : Research Projects 20%
- III (D) : Research Guidance 10%
- III (E) : Training Courses and Conf/Seminar, etc 15%

Note

1. It is incumbent on the Coordination Committee proposed in these Regulations and the University to prepare and publicize within six months subject-wise lists of journals, periodicals and publishers under categories IIIA and B. Till such time, screening/selection committees will assess and verify the categorization and scores of publications.

2. The API for joint publications will have to be calculated in the following manner: Of the total score for the relevant category of publication by the concerned teacher, the first/Principal author and the corresponding Author supervisor/mentor of the teacher would share equally 60% of the total points and the remaining 40% would be shared equally by all other authors.

3. The parameters listed in table of category-III (Research and Academic contributions) shall have following capping in relation to the total API score claimed by the candidates:-

- III (A) : Research papers (Journals, etc) 30%
- III (B) : Research publications (Books, etc) 25%
- III (C): Research Projects 20%
- III (D): Research Guidance 10%
- III (E): Training Courses and Conf/Seminar, etc 15%

According to the above table the teacher is eligible/not eligible in category II and II+III: -----

- It is incumbent on the Coordination Committee proposed in these Regulations and the University to prepare and publicize within six months subject-wise lists of journals, periodicals and publishers under categories IIIA and B. Till such time, screening/selection committees will assess and verify the categorization and scores of publications.
- The API for joint publications will have to be calculated in the following manner: Of the total score for the relevant category of publication by the concerned teacher, the first/Principal author and the corresponding Author supervisor/mentor of the teacher would share equally 60% of the total points and the remaining 40% would be shared equally by all other authors.
- The parameters listed in table of category-III (Research and Academic contributions) shall have following capping in relation to the total API score claimed by the candidates:-
  - III (A) : Research papers (Journals, etc) 30%
  - III (B) : Research publications (Books, etc) 25%
  - III (C): Research Projects 20%
  - III (D): Research Guidance 10%
  - III (E): Training Courses and Conf/Seminar, etc 15%

According to the above table the teacher is eligible/not eligible in category II and II+III: -----

---------------------	--------

1. Direct Teaching 16/14/14 hours per week include the Lectures / Tutorials / Practicals / Project Supervision / Field Work.
2. University may prescribe minimum cut-off, say 75%, below which no scores may be assigned in these sub-categories.

3. In consonance with established academic and teaching traditions, and with a view to reinforcing a students – centric and caring approach the teachers are encouraged to work with students, beyond the structure of classroom teaching. Indicatively, this could entail mentoring, guiding and counseling students. In particular teachers would be the best placed to identify and address the needs of students who may be differently abled, or require assistance to improve their academic performance, or to overcome a disadvantage. There are no prescribed hours for such efforts, measured either in weeks or months, or in the context and calculation of the API scores, these are nevertheless important and significant activities that could be carried out by teachers.

Minimum APIs to be applied for the promotion of teachers under CAS in University Departments and Colleges, and weightages for expert assessment is as follows:

Category	Activity	Assistant Professor / equivalent cadres: (Stage 1 to Stage 2)	Assistant Professor/ equivalent cadres: (Stage 2 to Stage 3)	Assistant Professor (Stage 3) to Assoc. Note

1. It is incumbent on the Coordination Committee proposed in these Regulations and the University to prepare and publicize within six months subject-wise lists of journals, periodicals and publishers under categories IIIA and B. Till such time, screening/selection committees will assess and verify the categorization and scores of publications.

2. The API for joint publications will have to be calculated in the following manner: Of the total score for the relevant category of publication by the concerned teacher, the first Principal author and the corresponding Author supervisor mentor of the teacher would share equally 60% of the total points and the remaining 40% would be shared equally by all other authors.

3. The parameters listed in table of category-III (Research and Academic contributions) shall have following capping in relation to the total API score claimed by the candidates:-

- |  |     |
|--|-----|
| • III (A) : Research papers (Journals, etc)        | 30% |
| • III (B) : Research publications (Books, etc)     | 25% |
